

Ralphs Grocery Club Cards Time to Renew!

If you have signed up your Ralphs Grocery Club Card with Anza Elementary (see list on back to confirm*), then it is time to renew your participation. Ralphs is requiring that you give permission for the school coordinator to renew your Ralphs Grocery Club Card with Anza Elementary. Please sign, date, and return this form to the school asap! Earnings stopped on September 1st and can only resume once you are signed up again.

I give my permission for the Anza PTA eScrip Coordinator to sign up my Ralphs Grocery Club Card with the Ralphs Community Program. This program automatically gives a percentage of my purchases to Anza Elementary whenever I use my grocery club card. The address provided to the coordinator is my current address, unless updated below.

Please automatically renew me each year unless I contact Anza PTA
